

Zainul Rahmat Saputra

Web Developer & Entrepreneur

Padang, Indonesia | zainulrhmt368@gmail.com | +62 877 0916 5697

Portfolio: <https://flowdevteams.com>

PROFILE

A passionate web developer and multifaceted individual who thrives at the intersection of technology, business, and creativity. While pursuing a degree in Information Systems, I run Flowdev Teams—a digital service business focused on building impactful web solutions—and also work in the maritime industry assisting seafarers. My goal is to craft digital experiences that not only look beautiful but also solve real-world business problems efficiently.

EXPERIENCE

Founder & Web Developer | *Flowdev Teams*

2023 - Present

- Lead a digital services agency building modern websites and web applications.
- Design and implement custom business solutions, e-commerce platforms, and landing pages.
- Drive client acquisition and ensure high-quality project delivery using modern tech stacks (React, Next.js).

Document & Visa Processing Specialist | *Masagena Jaya Maritim*

Current Position

- Verify the authenticity and validity of seafarer documents to ensure compliance with maritime regulations.
- Manage and track document expiration dates to prevent sailing complications.
- Assist over 100+ seafarers with visa applications and processing across 15+ countries.

EDUCATION

Bachelor of Information Systems | *STIE Bina Tunggal Bekasi*

2022 - Present (6th Semester)

- Focusing on software development methodologies, business systems integration, and database management.
